Michigan State Assembly Was a Joyous Occasion

This was one of the Finest Assemblies We Have Ever Had

BROTHERLY LOVE PREVAILED

The Holy Ghost manifested Himself thru-out the Convention

The annual state convention of the Churches of God in Michigan has come and gone but its fond memories will linger with many of us until Jesus comes or calls for us. The Lord was with us from the beginning to the very last minute of the last service.

We arrived at Sebewa Thursday p. m. and went to the home of the pastor, Brother J. B. Cole, and found him and his good wife with a big smile on their faces. They were both so enthused that we could see that they were anticipating a great convention.

Brother S. W. Latimer brought the message at night which was enjoyed by all. Friday morning the saints were there from the different churches shaking hands, smiling, and praising the Lord with occasional outbursts of shouting. Brother Cole gave the welcome address, then came the response from the field. The Lord was present to bless us and if you could have been there and seen us and heard us you would have thought we not only felt welcome but felt right at home.

After enjoying a good dinner spread on a long table prepared for the purpose on Brother Cook's nice big lawn, we returned to the church (about 200 yards away) for the "call of the churches." It reminded us of the general Assembly of a few years ago as the local churches came marching up under their banners. There were about 140 representatives from around Sebewa.

Space would not permit us to try to go into details of the remaining two days, but I suppose it is just as well when we read this over and see how far we have fallen short of describing things as they really were this far. There are not words in the English language to describe some things that we enjoy down here anyway. Brother Latimer preached four sermons which were surely appreciated. We had testimonies, quartets, duets, solos (and some "so-highs" when we would get to shouting), sermons by some of the home preachers and all the good things that go with a gathering of this kind.

Sunday afternoon we had a two hour program by the C. of G. Y. P. E. which was very enjoyable and we believe met the approval of the Holy Ghost.

As the congregation stood for the closing of the convention the mighty power of God came down in a wonderful way. People shouted, cried and laughed. Truly it was wonderful. It was so great until we decided to have a Fall convention August 29-Sept. 1st inclusive and hereafter make it a semi-annual meeting instead of annual.

Brother and Sister Warden of Ohio came in Saturday p. m. to conduct a revival at the Sebewa church which is now in progress. We are also beginning revival meetings in Jackson and Flint, both of which are new places, June 15th. There are many hungry hearts in Michigan. If we only had the workers we could have ten churches in the state before the year is out instead of the five we now have.—Yours in Him, M. P. Cross, State Overseer.

OHIO STATE CONVENTION

The Ohio state convention closed with great success. Truly the Lord was in the midst and blessed from the first service. Such sweet unity and fellowship! not a cross or anything to mar our happiness. The presence and power of God was manifested and saints rejoiced, shouted and danced. Like as of fire was seen in the services, which denotes the presence of God. How glad we were to have Bro. Latimer, our General Overseer, with us, and as he preached the Word to us in its purity from time to time under the anointing of the Holy Ghost, truly our souls were fed. The good sermons delivered by our different ministers in the state were enjoyed. All seemed to be at their best. We thank the Lord for their faithful labor and cooperation. While the cold winter winds were blowing and mother earth was wrapped in snow they kept the revival fires burning in different parts of the state. Precious souls were saved and sanctified and believers filled with the Holy Ghost and added to the Church of God.

The writer has been in ill health all the past assembly year and husband has been kept at home most of this winter because of my sickness, but thank God, He has heard and answered the many prayers that have gone up in my behalf and now husband and I are starting out on the battlefield again. We visited in the Middletown district after the convention and our hearts were made glad to see how the Lord is blessing. Praise His name! And they have a Young People's Endeavor organized at all the churches except one where the work is very small and no young people. The young people are taking an interest in their work in the state and the Lord is blessing.

Thank God for the way He is blessing in Ohio.—Your sister in Jesus, Mrs. E. Haynes.

Pressing Toward The Goal

WINNSBORO, S. C.—I just want to praise God for what He has done for me. He saved me from a world of sin, sanctified me holy and filled me with the Holy Ghost. Praise the good Lord! I just can't praise Him enough for it. We have organized a C. of G. Y. P. E. here. We have only been organized about two months and have fifty some odd members. We are pressing on toward our goal. We had one brother to walk the benches here Sunday night. We are proud of our good pastor, Brother W. E. Raney, and our Sunday School superintendent, Brother J. C. Brooks. Pray for the Lord to keep their bodies healed and bestow His blessing upon them.

I have been in the way only about three months but glory be to God I am not tired of it. I desire the prayers of all who know the worth of prayer, also pray that my family will get in the way before it is too late.—Your brother in Christ, Donald Jordan.

Church Organized

TRINITY, Tex.—Sunday night June 1, we saw the close of a successful revival of five weeks that was held here. Brother James Hall, our district overseer, conducted the revival. God surely blessed him in giving out the Word. Several were saved and sanctified, and six received the Holy Ghost. A church was organized with twenty-three members and more to follow later. The people of this place were surely stirred. They have awakened out of their sleep and are reading and searching the Word of God.

A lot has been decided to the Church of God and a building committee has been appointed. We hope before long we will have a nice new building in which to worship God. We covet the prayers of God's children that the work at this place will continue to prosper.—A sister in Christ, (Miss) Evelyn French, clerk.

I Am The Lord That Healeth Thee

"Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases. Ps. 103:2,3.

M. W. Letsinger

"Jesus went about all Galilee teaching in their synagogues, and preaching the gospel of the kingdom and healing all manner of sickness and all manner of disease among the people."—Matt. 4:23.

There has been quite a lot said in recent years about divine healing. Some believe in and practice it and others do not, but the Word of God remains just the same whether we believe it or not. Quite a few of recent years have obtained great notoriety by praying for the sick and announcing that they had the gift of healing, etc. Many of them have at times had a great following but soon lost out with many of the people. On many occasions we have known of some great divine entering a city and securing the right to advertise in the daily news. They would advertise themselves to have the old time gospel that brings the desired results. They would invite the sick, the lame, blind and deaf, and all that were in any way diseased to come and get healed by the mighty power of God. Of course they would go and for a little while there would be great excitement and some few of the people apparently got healed but the majority of them went away just like they came. Was the name of our Lord exalted? No, it seemed that the evangelist received the praise and in the end made merchandise of their profession to heal.

While many of us know this to be an undisputable fact, yet we know that the Lord of heaven has power to heal and that He is healing many today. "Jesus went about all Galilee teaching, preaching and healing all manner of disease." We find the definition for disease is lack of ease, discomfort. Now disease will include everything that causes discomfort or lack of ease. Many of us today have experienced healing of various diseases, from the toothache to tuberculosis and from the itch to the worst

of cancers. There is nothing too big or too little for Him to heal. Many times before praying for the sick I have asked those in the congregation who have been healed by divine power to hold up their hand and two thirds of the congregation would hold up their hand and say that at some time they had been healed. We hardly ever say anything about the Lord healing folks of the headache, toothache and little things like that, but if we really get healing from Him, no matter how small it is, He is to be praised.

I shall never forget the first time I was healed by divine power. I had been working hard and my right arm was so sore I could not lift it up above my head. Brother James Llewellyn, a devout man of God, took hold of my arm and asked the Lord to make it well and the work was done in an instant. Someone may say that was a small thing and it would have gotten well in a few hours anyway if I had exercised some. I know that is true but I did not have to exercise or wait. It was done in an instant and was as great a miracle to me as if I had been healed of a broken bone. Then I am sure that all ministers in the Church of God have witnessed many great miraculous healings of those who have been healed of diseases said by the best of physicians to be incurable.

Just now comes to my mind a lady who was very low with T. B. Her doctor had told her that he could not do her any good and that medicine was against her and that she would live longer without it. Brother F. J. Lee and I were visiting the sister and as we went to pray the power of God came down and she was wonderfully healed and lived thirteen years longer. The doctor that told her he could do no more for her died several years before she did. This year we have witnessed two wonderful cases of (Please Look On Page Three)

Florida Y. P. E. Enjoyed

CLEVELAND, Tenn.—It's quite a long distance from Cleveland, Tenn. to Wimauma, Fla. and we were tired and worn out when we arrived at the camp grounds Monday evening, June 9, after seven o'clock. The people were surprised to see Cleveland folks, but of course Brother Whittington just had to go and work for the Evangel and so Brothers J. L. Golins, Daniel Burt, Sisters F. J. Lee, Della Marie, Eva Mae Whittington, Junior Lee, and I went along with him. We enjoyed the camp meeting but only wish we could have stayed longer as we had to leave Friday morning. We left feeling good in our souls and Brother Whittington had secured 125 subscriptions for the Evangel. We enjoyed the hospitality shown us by Brother J. W. Culpepper and family where we spent Friday night on our return home.

Especially did I enjoy the Y. P. E. That was the best part of the camp meeting to me. The young people in Florida are working for God, but they like all others are having the enemy to fight. My heart was inspired as I listened to their interesting program. The children also took an active part in this program. Not only did I enjoy the program, but the business meeting as well. I thought of our own dear young people in Cleveland and wished they could have been there. And then I thought of what our president told me, if I found anything new to bring it back. Of course I watched for this. We are having some struggles in Cleveland but we haven't given up and do not intend to for that is the way we know that God is still for us. If we gave way to discouragement the enemy would no longer bother us. We are expecting to see great things happen for the Y.P.E. Young people everywhere, let's launch out and put Brother Johnson's song into practice, "Doing All The Good We Can."—One who is interested in this good cause, Bessie Wales.

HAD SWEEPING VICTORY

CEDAR VALLEY, Cave Valley, Jam. B. W. I.—This is to report a baptismal service held at Dry Harbor May 25, 1930. Our pastor, A. M. Johnson, was in charge. The Lord was there. Fourteen followed the Lord in water baptism. In the morning before we left for the baptizing Brother Johnson gave us some wonderful teaching and all the candidates for baptism gave wonderful testimonies. We started to the water, a distance of about one mile, and as we went along we sang. We returned for the eleven o'clock service. About three o'clock in the afternoon we met again and observed the Lord's Supper. A message of encouragement to those who had been baptized was given by an old gentleman. Brother Johnson had charge of the rest of the service. On Monday the 26th we had a fast. We met in a tent at Brother Thomas' home. Many gathered and we were agreed. Though our journey was twenty-five miles on foot we had sweeping victory. Men who have been leaders in the Baptist church testified that they had never heard many of those things which they heard at the baptizing. I am asking you to pray for us in Jamaica that we might ever stand for the truth.—A brother in Christ, Lester G. Moore, clerk.

Looking For Jesus

INDIANOLA, Miss.—I am praising the Lord because this finds me still saved, sanctified, and filled with the Holy Ghost. I also trust the Lord with my body. I have been an invalid all my life. I have to go in a rolling chair. I am fifty years of age. I praise the Lord because I belong to the Church of God. Praise the Lord, I am looking for Jesus to come. Please pray for me and my loved ones who are out in sin.—An humble sister in Christ Jesus, Minnie Cockerell.

Alabama State Convention Was Great Success

The Power of God was Greatly Manifested In Every Service

UNITY PREVAILED IN OUR MIDST

Many Sermons Were Preached Under the Unction of the Spirit

EMPIRE, Ala.—On Thursday May 29th at 7.30 p. m. the Alabama state assembly started at Boaz, Ala. When the people began to gather in the building and shake hands and greet one another the great love and power of God began to be felt in a wonderful way. Our State Overseer, Brother John C. Padgett, came in and I think I heard him say, "Glory to God!" and of course you know about what followed. Every one seemed to catch the spirit of it and it surely was great how the power of God fell. Our State Overseer read some Scripture and then Bro. Z. D. Simpson, the pastor, gave the address of welcome and it wasn't but just a very few minutes until every one realized that the Boaz people were surely glad to have us. As Brother Simpson would say he wanted us all to feel welcome and at home, you could hear those Boaz people say, "Amen," and brother, I'll say it had a ring to it too. I shall not forget to mention how good they entertained us in their homes. The sisters would prepare these good old home cooked meals and when you would go over to someone's house for a meal they would meet you with a great big smile and a hearty welcome and say, Come right in. You could feel at home.

Next on the program was a good sermon right from the throne of grace by Brother M. J. Heady. We enjoyed it very much. Friday morning about 10:00 a. m. we had songs and prayer and our Overseer gave us a few minutes to ask questions on church government. Several questions were asked and I am sure we all received light on the Church of God government. About 11:00 a. m. the writer delivered a sermon on "Tithing and Giving." People shouted, yes, sure enough shouted while the sermon on "Tithing and Giving" was being given, so you see we are moving up. Friday evening we had Bible questions and it surely was fine. Questions were asked by many and then we all listened as God would give someone wisdom to answer them. Some times when they were answered it would bring a shout. Following this we had a sermon on "Divine Healing." The Lord wonderfully blessed. Brother Simpson brought the message. If there were any present who didn't trust the Lord for the healing of their bodies, I believe they left with more faith and determination to trust Him. You should have been there Friday night and heard those people sing. The singing spirit seemed to get hold of everyone and my how the power of God fell. The string band from Alabama City, Ala. furnished some fine music backed up by the power of God. We also had testimony meeting conducted by Bro. H. B. Magee. Many real fiery testimonies were given. After the testimony service we had a sermon by Brother W. W. Harmon on "Church Government." I am sure every one enjoyed this sermon very much. I'll tell you we need to know the Church of God government.

Saturday morning we had some discussion about our state camp meeting. We decided to have it at Anniston, Ala. beginning Friday morning Aug. 8th and closing Sunday night Aug. 17th. We also decided that Boaz, Ala. would be the place for the state assembly every year. Saturday evening we had (Continued on page 3)

THE INDIANS ARE HUNGRY FOR THE GOSPEL

God is Truly Working in California—The Indians And Mexicans are Interested in the Gospel of Jesus Christ

LONG BEACH, Cal.—We are home again for two nights to visit the family and take care of our mail, have been out on the field for six weeks, preached three weeks at Phoenix, Ariz., had to reorganize the work there. The devil seems bent on tearing up the church at that place, but God is able to bring order out of chaos and the church is rapidly coming to the front under the leadership of Brother H. V. Miller, their newly appointed pastor. We got in touch with Brother Jonah L. Shelton, former publisher of the Mountain Assembly paper at Jellico, Tenn., who now lives at Phoenix and maintains a publishing plant in that city. He is at present connected with the General Council but seems to be very much Church of God at heart and talks favorably of joining our ranks. Let everyone pray

to that end as we need men like him to help in propagating the noble doctrine of God's Church in this new field.

Leaving Phoenix headed for Cottonwood, Ariz., having received a call for a meeting there, we left Brother S. Tapley in charge and continued our journey to Thermal, Calif. Got a late start and had to drive all night practically and most of next day, across two mountain ranges, one over 8,000 feet and the other more than 7,000 feet with a burning hot desert to cross for some two hundred miles on the other end, with a house about every twenty-five or thirty miles, a rather lonely and tiresome trip but God blessed us and we arrived on time, preached to a house well filled with Indians, Mexicans and whites, at the Martinez Indian Reservation. EDITORIALS

We know that times are hard and money seems to be scarce and hard to get but in the midst of it all the Lord is giving us some wonderful revivals. Did you ever see the like? The paper filled each week with the good reports! If you fail to see your testimony or article in the Evangel, do not feel bad about it. We must put these good reports in and the paper is entirely too small to get everything that is good in. We want you to keep sending them in and we will do our best to get them in. Make them as short as possible, however, you must tell of the good things that are happening.

I have a card from Brother E. C. Clark stating that he will make a special drive for the Evangel in his state convention. We are so glad to note that so many are getting the Evangel on their hearts and give her a place in your meetings. We cannot make the paper a success alone but by the help and cooperation of the workers and friends we can.

Many thanks to each worker who in any way has helped the Evangel. I may not know what you have done for the paper but the Lord does and will surely give you a reward. May His richest blessings rest upon you.

Some of the folks who went to the Wimauma camp meeting have returned and report a good time and a wonderful meeting. A report will be given later.

Brother H. L. Whittington has returned from the Wimauma camp meeting bringing with him 125 subscriptions to the Evangel. Hurrah for Brother Whittington, also the Wimauma camp meeting.

Brother M. P. Cross sends us fifteen subscriptions from his state convention held at Lake Odessa, Mich. That is fine for Michigan. We only have a few small churches in Michigan but they are loyal and do not fall behind in anything.

This week Brother H. L. Whittington takes the lead in sending in 125 subscriptions to the Evangel; M. P. Cross, fifteen; Earl Paulk, six; Mrs. Carl Milligan, five; Maud Kennedy, four; Z. D. Simpson, four; J. M. Snyder, four. The total for this week is 198. We thank the Lord and each worker for this. We are truly glad to see the interest in the church work rising higher and higher.

In The Narrow Way

GORDO, Ala.—I am sixty years of age. I have been saved ever since I was thirteen years of age. Everybody said I couldn't live without sinning a little bit. I did live the best I could, but since I have been attending this revival I have found something new. I find I can be sanctified by my Savior's blood and thereby I can live clean. I can live without sin. I gave up snuff and tobacco for this cause. I am now living clear for Jesus. I am in the narrow way.

I for one have been benefited by the revival that was held here. I believe three were saved, three sanctified, two filled with the Holy Ghost and others are seeking the blessing. Many are looking this way. We want to have the same preachers with us in about three weeks. Brother R. J. Aldridge, Brother Herring, and Brother Riley Clement had charge of the meeting. We want a church set in order here during the next revival. Brother Riley Clement is crippled in his limbs but he didn't let that hinder as some might. He did about all the preaching the first week. He preached on divine healing about the third night and from then until the close of the three weeks' revival he had calls to pray for the sick. About nine cases which he prayed for were healed.—Yours in His service, Sister Miller.

NOTICES & SPECIALS

To the Church of God in Alabama, and all interested in the Church of God camp meeting, this is to notify you that we are at work on the camp ground at Anniston, Ala. We will appreciate it if you will send to the treasurer, J. A. Brown, Shahan Ave., Alabama City, Ala., the amount that you are to give as we are in need of money to start on the tabernacle. If you can't give money and you have a truck and can come and do some hauling, it will help at this time. The board is asking that the pastor of every church in Alabama take an offering for the building of the tabernacle as this is for the state of Alabama. Come on, let us have a camp meeting in Alabama. The date is August 8th to 17th. We are expecting you.—W. W. Harmon, chairman, Camp Meeting Board, 106 Ave. C., Pratt City, Ala.

A revival is to start at the Church of God at Pratt City, Ala. on July 6th, with Brother Harry Whittington of Cleveland, in charge. We ask that every member of the Church of God at this place try to be here. If you can't come, be sure and write us as we want to hear from every one. Pray for the meeting.—W. W. Harmon, pastor, 106 Ave. C., Pratt City, Ala.

We are planning on having a children's day at Eden, Miss. the first Sunday in July. We are few in number and are kindly asking the Churches of God everywhere, especially in Mississippi, to lend us a helping hand. If you have some good songs or good music, come and bring them. Pray much for this little church here that it will let its light shine and not put it under a bushel. Come with a basket filled with something to eat and a heart full of love.—Yours for the Lord and His church, Arthur Starns, Rt. 2, Eden, Miss.

Z. D. Simpson is now engaged in a revival at Anniston, Ala. with the pastor, McGee. The outlook is good for a great harvest of souls.

To our good people in North Carolina, we are inviting to the state meeting at Belmont, July 3-6, especially the ministry of the state. We will look for you. Special preparations are being made in your interest. We are encouraging our people to come and bring their music for we are expecting music for the glory of God in this gathering, and we are trusting the Lord to bless in this convention in a wonderful way with one continued round of good things.—John L. Stephens, Overseer.

Headquarters has been notified that an elderly woman is traveling thru Michigan at present who says she is going to Indiana, from there to Kentucky, and then return to her home near Atlanta, Ga.

She says she has plenty of money and also a large farm in Georgia and borrows money and promises folks lots in return, but never makes any returns. She claims to be a minister in the Church of God but SHE IS NOT.

This woman has been traveling in North Carolina, and even in Tennessee, and our people should be careful and not let her have money.—Gen. Sec'y and Treas.

TO THE CHURCHES OF GOD IN WEST VIRGINIA

This is to advise you that we have again decided to have the State Convention at Logan, W. Va. This is about all the building in the state that will at all accommodate the congregations. However, there is one thing that we wish to call your attention to and it is this fact, that the continuous increasing delegations are in excess of what the local congregation there can take care of by themselves. It has therefore become necessary to ask help from the public in caring for the delegation. And under the financial strain and depression we feel that there must be some reciprocation that will imbure them for their trouble.

We have decided therefore, to make the following changes, 1st, to give free entertainment to all the attending ministers and their immediate families. 2nd, that all delegates other than as above mentioned shall defray their own expenses. However, we will register places where they can stay and will assist in assigning them to their respective places during the convention. We think we can furnish places to stay with beds at about 25c per night, or if an individual desires to have a bed to himself he may do so for 50c each night. Then meals may be paid for if served or delegates can eat at the restaurants. We would suggest that attending delegates who have friends that they can stop with while in attendance kindly arrange to do this. Or those who have tents and can bring same kindly do so. Last year we had about two hundred and fifty delegates in attendance, and this is more than we can entertain gratuitously as we have previously done.

We trust there will be no misunderstanding relative to the above, but with the ever increasing attendance you are each aware of the fact that some changes are necessary. There are few states that have a large delegation that take care of them with-

out expense to the delegates as we have always done in West Virginia. So we trust that you will assist and understand us in making these changes. There is no reason why everyone that wants to come to the convention cannot come as usual. For instance if we can furnish you a double bed for 25c to each party or a single bed for 50c to each party, meals such as I eat myself need not run over 25c each, this would make the whole convention run about \$4.00 for bedding and meals. We invite all who can to come and be with us in this great annual feast of good things. God gave us a mighty convention last year, and a great year throughout the state. And again God has so far given us a highly profitable year throughout the state. We expect a great convention. Our General Overseer is to be with us again, and we will have other new and interesting speakers, and we hope, some from other states. We have extended an invitation to Mrs. Alda B. Harrison, Editor of the "Lighted Pathway," and State Supt. of the C. of G. Y. P. E. of Tennessee. We hope she will be present and can address us with respect to her work among the young folks, as well as to speak to the people about the publications which we find to be very biblical and needful in the homes and among the young people.

Let us each therefore arrange to come, and come praying that God may be present in a mighty way. We expect this. The ministers have labored hard in West Virginia this year and God has rewarded them and you must assist them now in coming to the convention. Remember that we expect you along with your pastor. God bless you each.—Humbly and faithfully, E. C. Clark, Overseer.

To anyone who needs a musician: My husband, eleven year old daughter, and I would be glad to make music. We play stringed instruments and most any other. Like a tree that is planted by the waters, I shall not be moved.—Yours looking for the coming of Jesus, Priscilla Huncutt, Converse, S. C.

The state convention of West Virginia will be held at Logan, W. Va. July 31-Aug. 3. General Overseer to be present. May the Lord richly bless you in your work for the Master.—Faithfully, E. C. Clark, Clarksburg, W. Va.

The Church of God at Hudson would like to know the spiritual condition of Sister Naomi Goodman on or before its next quarterly conference to be held the first week in July. Please send written testimony as to spiritual condition.—C. W. Brady, clerk, Hudson, Fla.

We have just begun a revival at Townsend, Tenn. Many hungry souls are seeking the Lord. All who read this please breathe a prayer for us. I will be open for calls until Aug. 1. Anyone who would like for us to conduct a revival for you write at once at Townsend, Tenn. Gen. Del. W. A. Walker.

The Church of God at Logan, W. Va. would like to know the whereabouts and condition of the following: Sid Farris, Bethel Russell, Mary Russell, Mabel Morris, Eliza Whitman, Ella Handline.—H. W. Carter, clerk, Box 1623, Logan, W. Va.

Notice is hereby given that our revival will begin at Pleasant Hill near Carthage, Miss. on Saturday night before the second Sunday in August with Brother G. G. Williams in charge. Everybody begin praying for this revival and for Brother Williams that he will begin leading his old gospel gun with the love of God and that he will fire on the enemy so hard until the people will have to leave their sins and come to Jesus. All of the saints pray for the revival and come and be with us.—Your brother in Christ, J. W. Whittington.

Is there anyone who would volunteer to come here and assist me in getting a mission started? I believe the Lord will be pleased to have a little sunny-side mission for the children who roam the allies. Brothers and sisters, pray for God to make the way for a place to worship in the beauty of holiness. I am expecting to hear from someone.—Your sister in Jesus, Arvie Gothard, 922 Lincoln Way, Laporte, Ind.

TENNESSEE STATE Y. P. E. CONVENTION

We again announce our state Y. P. E. convention which will convene at Cleveland, Tenn. at the Auditorium on June 29, 10:30 a. m. We want every young person in the state to make an effort to be there. We also extend a most cordial invitation to young people outside the state. In fact, our invitation extends to all young people everywhere. Come and bring your lunch and let's have a good and profitable day together. We are expecting some good inspirational talks, readings, and plenty of good music that will inspire us to greater service for

the Master in the future.—Yours for the young people, Alda B. Harrison, State Supt. of Y. P. E.

A revival meeting will begin at Belmont, N. C. June 18. Everybody is cordially invited. W. E. Raney of Winstboro, S. C. will be in charge. The revival will continue until the state meeting, July 3.—Wm. Stallings, Belmont, N. C.

Alabama state camp meeting will convene at Anniston, Ala., August 8-17 inclusive. All ministers are requested not to arrange for revivals during camp meeting. Remember this is a state meeting and all ministers will be expected to attend this meeting. Let's work together and we can have as great success as any other state in the Union. Please pray one special prayer each day for the success of this meeting.—John C. Padgett, State Overseer, Lake Park, Ga.

I have a gospel tent 40x60. If anyone wants a tent revival and will pay the expenses of putting it up and moving it, write me at my address, Poplar Creek, Miss.—Yours in His service, J. T. Clark.

This is to notify all the saints and everybody that a revival begins at our church, the Church of God, at Saloma, Ky. the fourth Sunday in June, June 22. Everybody is invited to come and enjoy a real feast. We are looking forward to a real sweeping revival. Others and I will be in charge. Everyone pray for the success.—Yours for lost humanity, Mable Hatcher, Saloma, Ky.

REQUESTS

Would you please pray for a deaf and dumb girl who is seeking God? She is so anxious and willing. I believe she would use her talents for God. I desire your prayers.—Gertrude Brantley, Rt. 3, Hazlehurst, Ga.

I am afflicted with rheumatism and stomach trouble. When you read this I want you to pray for me to be healed if it is God's will. I want the Lord to have His way with me. I feel the need of your prayers.—Riley Clement, Gordo, Ala.

I request special prayer for our C. of G. Y. P. E. We have recently organized our meeting. The enemy tries to discourage but we're trusting in the Lord. This was started by faith as there are just a few young Christian folks here at Cantwell. There is a large number who attend our Sunday School and we desire to see them saved and receive the blessing. Sister Molly Cash is our leader. We believe there is victory ahead. Also pray for the Lord to make the way for me to attend Bible School.—A sister in Christ, Nadine Elders, Esther, Mo.

Please pray for God to heal my body also that I may receive the Holy Ghost again. I was saved last Sunday.—Louie Ganey, 72 Delgado, Wilmington, N. C.

I haven't been to a Church of God service in five years. Pray for me to have a chance to hear the Word preached under the power of the Holy Ghost. Pray for me to be healed of my many infirmities.—Your humble sister, Laura Leighton, 470 Edinburg St., San Francisco, Calif.

Pray for the dear Lord to heal my body of something like heart trouble. Also remember my little boy. He has very high fever.—One who loves the church, Theodore Johnston, Archibald, La.

Pray for my mother-in-law who is very low. Also pray for me that God will hold me up. Pray for my unsaved family.—Your sister in the Church of God, Naoma Rogers, Nettleton, Ark.

Please pray for me. I have a hurting in my lungs and chest and the lower part of my body. On my left side I have a hurting and a hard swollen ridge and burning at times.—W. G. Rembert, 708 K St., Richmond, Ky.

I am in a very serious condition and trusting the dear Lord to heal me. Pray for me as you would want others to pray for you. My husband wants me to go to the doctor but I have trusted God for eight years and I feel it would be a reproach to go back to the weakness of man. Please pray for me.—Your sister in Christ, Mrs. Amos Cump, Rt. 3, Praco, Ala.

Pray for me. I am sick. I haven't been able to go to meeting much this year. Pray that I may be made whole if it is the Lord's will. Pray for my girl and her family.—Mrs. M. E. Kirby, Oneonta, Ala., Rt. 3, Box 97.

Please pray earnestly that God will baptize me with the precious Holy Ghost and that I will be a worker for the Lord in some way. Pray until God answers your prayers.—Your sister hungry for more of God, Edith Nolan, Independence, Ky.

I request everyone to pray a special prayer for the healing of my body. I have a pain in my right side and sometimes it is almost more than I can stand. I know the Lord can heal me. Please pray for me.—Yours for Him, (Miss) Edith Grissom, Red Bay, Ala.

Fifteen Received The Holy Ghost

SULPHUR SPRINGS, Fla.—Surely old time Pentecost has been repeated here at the Church of God on 13th St. We have just closed a three weeks' meeting with great success conducted by Sister Lula Jones. Good interest was shown from the beginning. The revival spirit was on and two received the Holy Ghost before the meeting began. We don't know just how many were saved and sanctified but quite a few were. The devil was stirred. They called the officers. While one of the brothers was receiving the Holy Ghost some of the world thought he was in such bad shape until he needed a doctor. They came to me and said, Don't you think we had better call a doctor. I said, No, he is receiving the Holy Ghost. They said, well, if that is the way to get it I surely don't want it. I told them they would not get it until they did want it. After all God didn't fail to work.

The revival closed in high tide with good interest. The altar was full of seekers. We had baptismal service Sunday evening, June 1. 5 were baptized in water and more to follow. The last night we had the Lord's supper and feet washing. Truly the Lord was in our midst to own and to bless. We desire the prayers of all who read this that we may lift high the blood stained banner of Jesus here in Sulphur Springs until He comes or calls.—Your sister in Christ, Mrs. W. R. Shaw.

Striving For The Bible Standard

COVIN, Ala.—I am praising God tonight for the great plan of salvation, for His Son Jesus who left His home in glory and came to earth, took upon Him the form of man, bled and died on the cross of Calvary to purchase the Church of God, and for leading my stumbling feet into the straight and narrow way.

We had services at our little church near Kennedy Saturday night, Sunday and Sunday night. The Lord blessed in a wonderful way. There were several visiting brothers and sisters with us. We appreciated this very much. Our church is really on fire for God. She is rising and shining as never before. We thank God for Brother H. M. Taylor, our pastor, and Brother A. L. Burroughs who has done some wonderful preaching here, also several others. We thank God for every word of encouragement we have received from anyone, and earnestly desire the prayers of all of God's children that we as a band of workers for Christ will press on till we reach the Bible standard. That is the mark we are striving for and I believe with all my heart that by faith and the grace of our Lord and Saviour Jesus Christ we will reach it in the near future.—A sister in Christ, Ada Ledbetter.

Indians Hungry For The Gospel

(Continued from page one)

vation where we continued for two weeks. The last night we set the church in order with twenty-eight members, sixteen whites and twelve Indians, with more looking this way. Brother C. A. Dixon and wife started this work among the Indians and are very dear people. They came with us in the first part of the meeting but had to leave for other parts. They are very friendly towards the Church of God and I feel that they will cast their lot with us at an early date. It was wonderful to hear the Indians sing, pray and testify in their native tongue. Some would interpret for others. These people are hungry for God, or more of Him as some of them have the Holy Ghost. One old man over a hundred years old would walk three miles to church many nights when he could not get any of the other Indians to bring him, and in spite of the fact that he was blind and his advanced age, he was most always the first to arrive and take his place in the first row of seats near the front and would lean on his cane and wait patiently for service to begin. Although he couldn't speak or understand English to any extent, God seemed to make him understand somehow for at least he was able to get the spirit of the meeting which he enjoyed immensely and was himself an inspiration and a blessing to others. One dear Indian brother who was afflicted with something like rheumatism and unable to walk, was carried into the church on his bed, where he took up his residence and won't go home but is waiting for his healing. His mother, brother and others of the family wait on him. These dear souls are overjoyed at the thought of finding the new "Medicine Man," Jesus Christ the Righteous, and they surely believe in healing. Everyone who reads this please pray for him to be delivered. Some of the Indians can understand Spanish better than English. I gave them the Scriptures and sang to them in Spanish one night and they seemed to enjoy it very much. God gave us two fine white brothers to act as deacons, Brother C. B. Sanderson and Brother James Napier. A lady preacher and missionary, Sister Lily Wallen who belonged to Angelus Temple in Los Angeles, joined our ranks and will superintend the Sunday School and young people's meeting, assisted by one of the Indian sisters acting as clerk of the Church, which place she had previously held.

Leaving Thermal we went to Blythe, Calif. in the Palo Verde Valley on the Colorado river, where we preached two nights and set another church in order with fourteen members including seven men, heads of families, six women and one girl with many others interested. Among the number who came in the church was Brother Curtis, pastor of the Pentecostal Mission at Ripley, Calif. He will run his mission under the supervision of the Church of God. I believe we will have another church here soon.

Now before closing let me mention the faithfulness of the Indians in their determination to have a place of worship at the Reservation. They got hold of enough scrap lumber to make a foundation and floor. Then they got some old railroad ties and set up all around for posts, fixed the roof on, then cut down palm branches from the palmetto trees and thatched it all around, lapping one leaf over another shingle style, afterwards lining the interior with light building paper. It was quite a novel affair and served the purpose very well. It reminds me of being over on one of the islands of the sea. They plan on making some adobe (mud) bricks for a permanent wall soon. We leave this evening for Baldwin Park where our state meeting is to be held.—Sincerely, J. H. Ingram.

CAME OUT VICTORIOUS

PHENIX CITY, Ala.—A two months' revival closed here Sunday night June 3rd and has gone down on the pages of time as a grand success. Brother Roberts did all the preaching except one or two sermons which Brother Shaw delivered. Much was accomplished. Many hard fights were put up by the enemy but thank God we came out victorious with eight saved, five sanctified, four filled with the Holy Ghost, nine baptized in water and ten added to the church with many more hungry hearts looking this way. People on every hand tell us that Brother Roberts left too soon. He will not soon be forgotten in Phenix City by both saints and sinners. We wish him an overflow of success in his next field of labor, and beg to be remembered soon by a trip back to Phenix City.—J. E. Marion.

LET'S DO WHAT THE LORD SAYS

DIXON Miss. — I praise the dear Lord for what He is to me just now. I can feel His sweet presence in my soul. Dear ones, we have so much to praise the Lord for. I can never praise Him enough for saving, sanctifying giving me the Holy Ghost and adding me to His great Church. I thank Him for His good people who have just forsaken home and are out on the battlefield for Him. Dear ones, we ought to be willing to sacrifice more for them. The gospel is needed in so many places. We do thank God for our little church, Rocky Hill, and for the privilege of assembling ourselves together to worship Him and for a good pastor, Brother G. G. Williams, and his wife. We feel sure that God will bless them though it seems hard sometimes for them we know. We thank God for a faithful shepherd who feeds the sheep with the Word of God.

We praise Him for the district meeting that was held at Rocky Hill. Bro. and Sister S. J. Heath, our State Overseer and wife were with us. We thank the Lord for the great messages brought from time to time. Heb. 2:1 says, "Therefore we ought to give the more earnest heed to the things which we have heard lest at any time we should let them slip." Dear ones, it is time we were doing what the Word says do. May God bless Brother and Sister Heath in their work. Pray much for our meeting which is to begin July 19, D. V. Brother Robert Blackwood will be in charge. Pray for me that I may hold out faithful till Jesus comes. Your sister in Christ, R. L. Jackson.

We Felt His Nearness

HARTWELL, Ga. — We closed a two weeks' meeting at Zion church near Surrency, Ga. May 20. The Lord surely did bless in this meeting, though there were not so many souls saved. Some were blessed and the presence of the Lord was with us in a wonderful way. The saints seemed to be encouraged and they shouted, danced, and talked in tongues. Some were saved and one sanctified.

We had a wonderful service on Mother's day. No one preached. The Holy Ghost had charge. The Lord surely blessed. We had many good testimonies, most everyone spoke something in memory of mother.

During this service a lady took very sick. It seemed as if she were dying. They picked her up, rushed out in the yard with her, and laid her on a truck in the shade of the trees. We went out and prayed for her and in a few minutes she was healed. She walked back to the church. Thank the Lord! He is still healing people.

The people there stood by me. I surely love the people in South Ga. I don't think I ever met better people. I preached one time at Baxley, Ga. also I visited the church at Jasper, Fla. which Brother J. W. Culpepper is pastoring. I enjoyed visiting his home also. I am now in a meeting at Sealy, N. C. Pray for me. — A sister in the battle, Myrtle Whitehead.

FEEL LIKE GOING ON WITH JESUS

OCONEE, Ga.—I am praising God this morning for victory in my soul. I praise Him because I am saved, sanctified, have the Holy Ghost and belong to the Church of God. I trust God for the healing of my body. I thank Him for healing me of chills last week.

We have just closed a revival at the Church of God here. It was wonderful. God surely blessed. It began April 15th. Brother T. C. Franklin from Anderson, S. C. opened fire on the devil and sowed many good seed. He preached two weeks and went back to Anderson and brought Brother C. W. Dempsey back with him. They opened fire again and continued four weeks. God stood by them. Fourteen were saved, nine sanctified, four received the Holy Ghost, three came into the church. The meeting closed with the altar full of seekers. A Sunday School was organized June 1st. We pray that God will send these brethren back soon. Everybody here, saints and sinners, learned to love them and hated to see them leave. We feel sure that no one will make a mistake in getting them to run a meeting as they are of God. Both are good singers and pick the guitar. We also learned to love Brother Dempsey's wife and two little girls. We observed the Lord's Supper and washed the saints' feet and had dinner on the ground. The saints shouted and praised God. We all feel like going on with Jesus. Please pray for us to be what Jesus would have us to be.—Your brother and sister under the blood, Mr. and Mrs. W. B. Cox.

3 Saved, 1 Sanctified, 4 Received Holy Ghost

ALMA, Ga.— We have just closed a meeting of one week with great victory. Three were saved, one sanctified, four received the Holy Ghost. The devil surely got mad, but praise the good name of Jesus, we know He was there with us. We did not get a church set in order but we believe there is going to be one. The meeting was run by the writer in a new field. — L. W. Williams.

LET'S WORK WHILE IT IS DAY

Dear Evangel readers and B. T. S. friends, I wonder how each of you are getting along. I am in the evangelistic work with Brother A. V. Beaub. We are getting along just fine together. I have been in the work of the Lord almost ever since school closed. The Lord is still good to us and is still blessing.

We have just closed a four weeks' meeting in the city of Clarkdale, Miss. It is a new field. Not such great visible results were obtained but we believe that some seed were sown that will bring forth a great harvest in the near future. We made many new friends and acquaintances and learned to love and appreciate the good people there. We are expecting to begin another meeting soon so pray that the Lord will continue to bless us as we labor in His name.

Say, B. T. S. students, John 9:4 says, "I must work the works of him that sent me while it is day, for the night cometh when no man can work." It is time that each of us were at work for the fields already white unto harvest and the laborers are few. Let each of us go forth with a zeal to work for God. Come on and let us get to work and do our best for Jesus. It will not be long until Jesus will come to catch away those who are ready for His coming. Let us be good and do our best just a little while longer and the trials, troubles, heartaches and sorrows will all be over, and if we have lived faithfully we will be glad then. Hallelujah!

Come on, B. T. S. students, and write a few words in interest of our good school. Remember to pray for

Where God Sends Showers of Blessings Down

I want to sound a note of praise to my blessed Savior this afternoon. He has been so good to me. I can never praise Him enough for His goodness. I am praising Him because I am saved, sanctified and filled with the Holy Ghost and a member of the dear old Church of God. I've been a member for nearly thirteen years and the way gets sweeter all the time.

I thank the Lord for allowing me the privilege of attending one term of the Bible School. Oh, what a grand privilege that was. God was with us the whole six months we were there. It was like being in a revival all the time. It is the best place in the world for men and women, boys and girls to do the right thing in the right way. We study God's precious Word and also literary subjects. We are given some of the best teachers available for this work. They were so kind and patient with us. We all loved them dearly. I can truthfully say anyone's time and money is well spent when they attend Bible Training School. I want all who read this to pray that I'll have the opportunity to attend this year. Oh, how my heart yearns to be back in the dear little schoolroom with all those smiling faces and where God sends His showers of blessings down. I intend to be a booster for the Bible School, and want to bring all with me this year I can. Please pray for me.—Jewell L. Walker, Holly Ridge, La.

Our Progress Depends On Prayer

FT. LAUDERDALE, Fla. — Dear saints, it affords me quite a degree of pleasure to write thru the columns of the Evangel about the progress of our Sunday School and Y. P. E. in Florida, Division No. 1, over which I have been appointed district superintendent.

Truly these two works on the east coast are prospering. They love to work in these two departments of the Church. Since I returned from our state convention at Jacksonville, I have been very busy making visits for the upbuilding of these two works. They seem to be encouraged. We have wonderful schools and Y. P. E.'s in our district and I am not afraid to say that they are among the best in the Church of God. Also we have the district divided up into two districts, namely, Miami District No. 1, Jupiter District No. 2, Brother H. Potier is sub-district superintendent of No. 1 & Brother W. S. Bowe is sub-district superintendent of No. 2, while I am over both. Beloved, I must say that we believe in shouting and talking in tongues in school and Y. P. E. as well as in church.

Let us look upward to the success in our schools and Y. P. E.'s, and do all we can for the work. These are the last days and the devil is doing all he can to hinder. We are looking to God for success this year. Sunday School and Y. P. E. is the place to go where we can learn more about the Word of God. Some preachers don't like Sunday School and Y. P. E. but I'm afraid of such preachers. The apostle Paul in his writings said, Study to shew self approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. I am sure he did not mean for us to study to ourselves alone all the time.

In conclusion I must say there is progress for us this year if we will pray just a little more. Pray much for me as this is a great work which I have to oversee and it takes prayer, wisdom and power from God, for without Him we can do nothing. Meet us at our unions at Deerfield and Jensen, Fla. June 29, 1930, D. V. —Yours for the cause of Christ, T. C. Cartwright, 219 N. W. 5th Ave.

Saints Encouraged

KEY WEST, Fla. — I want to sound a note of praise to my Father in heaven for the Church of God here. I thank the Lord because He sanctified me with His precious blood and baptized me with the Holy Ghost and fire with the evidence of speaking in other tongues according to Acts 2:4. I also thank God for Brother E. E. Coleman who held a five weeks' revival for us. It was a great success. The saints are built up and much good was done. I thank Him for Brother D. F. Baldree, our pastor. We all believe he is a man of God. May God bless them in His cause. We mean to stand true by the help of God till Jesus comes or calls.—Your sister under the blood, Mrs. Mary Pent.

DON'T EVER GIVE UP

ORLANDO, Fla. — Dear saints everywhere, I am praising God this morning for full salvation. I have promised the Lord so many times if He would give me the blessing I would testify thru the Evangel and hold Him up wherever I went. I had been a chronic seeker for years and it seemed that I could not get anywhere until I was almost disheartened. But during our revival I started again with a greater determination. The devil was working about as hard as I was and he almost got me to believe that I had put off getting the blessing too long, as I had been dragging along and seeking so long. I have been knowing about the way of holiness for twenty years. A part of my load was lifted during the revival but I did not receive the Holy Ghost until Tuesday evening May 27th when I went down and stayed right there until I spoke in tongues. When the Holy Ghost came in it was so simple that I was made to wonder why I didn't receive Him years ago. I asked the Lord not to let me be deceived and if that was really the Holy Ghost to witness again and He did for a while. Let me beg everyone who has been seeking the blessing till you have become a chronic seeker, don't ever give it up but put forth a little more effort. The devil will out talk you if he can. You have just got to fight for your soul. I desire the prayers of every child of God, that I may be humble and stand true. Also pray for the healing of my body. — Your sister under the blood, Mrs. C. M. Watford, Rt. 1, Bx. 50.

and brought many Scriptures to our minds and caused us to remember those who had obtained many wonderful and glorious victories through prayer. The service closed with a good old prayer at the altar which made us feel good in our souls.

Sunday morning at 10:00 o'clock we were on time for Sunday School in which we spent a pleasant and profitable hour. At 11:00 o'clock the Overseer came before us with another message of edification and comfort. His subject was "Doing things in Jesus' name." He carried us through several passages of Scripture in the Old Testament and showed how David got the victory over the giant of the Philistines when he went in the name of the Lord God of Israel. He carried us through the different dispensations and showed how the Jews did things in the name of God. After Jesus came and the Church was established we are commanded to do things in Jesus' name. He concluded by showing that Jesus is not a King to the Gentiles but to the Jews, Matt. 27:37, but He is our Bridegroom. At the close of this message the writer made a few remarks of appreciation for the message and for the Church of God. At this time the Lord gave us a "dessert" from the Glory World, the saints were made to rejoice as the power fell. Service was dismissed, dinner was spread and we had a feast of temporal things. The afternoon service was divided as we had some items of business to come before the state board. Sister Heath gave a talk in interest of the Evangel and orphanage at the tabernacle. This was enjoyed. After the message Sunday morning many said they received light on the Scripture, so Brother Heath preached at the evening service on "Walking in the Light." This message brought the convention to a close, but another week was spent in revival services in which one was reclaimed, one saved, sanctified and baptized with the Holy Ghost and a number of others greatly blessed. Truly this is a district of brotherly love as its name (Philadelphia) signifies, and we want to be true to our name. G. G. Williams, district pastor.

healing in Knoxville, Tenn. First, a sister who was under the doctors and they had told her in the presence of her father and mother that she must die, that there was no cure for her, but prayer was made for her and the Lord healed her and she is still there to tell the story. Second, a man who had been under the doctors for years and had been in the hospital and had tried everything that he knew but continued to grow worse, but prayer was made by the church for him continually and one day while Brother Childers was praying for him the Lord healed him and he is there now to tell the story, a big strong man in perfect health.

Some have said, "We do not see folks healed as we once did." That may be true but it is no sign that folks are not getting healed. When we meet God's conditions as they are outlined in His Word, the blessings that He has promised are ours. If we fail to meet the demands then we fail to receive the benefits. Then if we see that we are coming short, we should humble ourselves and seek to comply with His Word. I shall never question God's power to heal and keep in health those who put their trust in Him. He is able to keep us in health with good strong vision and a mouth filled with sound, healthy teeth, no pains, no aches to give us discomfort or high blood pressure to cause us to stagger and fall. I am so glad that we have such a great God to love and serve. So if we fail to receive any of the good blessings that He has provided for His followers, then we should seek to humble ourselves under His mighty hand casting our cares upon Him realizing that He careth for us.

May the Lord help us that we may not look at our many failures and the failures of those around us, but that we may keep our eyes on Him who hath said, I will never leave nor forsake you but will be with you alway even to the end.

a report of the question committee consisting of Brother Z. D. Simpson, chairman, W. W. Harmon and W. T. Nelson. Many questions were answered that I am sure proved a blessing to all present. Saturday night we had songs, prayers and healing service. Oh, how God did bless, how He sent His mighty power down upon us! Following the healing service we had another testimony meeting conducted by Brother Lindsay. I am sure we will never forget how God blessed our souls. Our State Overseer preached a sermon on "Sign Seekers." God surely did set His approval on the message. I believe there will be much good come from the effects of it. When the sermon was over it was then time to say good-bye. We hated to leave. We would have been glad for it to have gone on three more days but we had to get back to our churches and tell them what a great time we had in the Lord. Don't forget the state camp meeting date and start now to make ready to go. Come on, Alabama, let's go over the top for God and the Church of God. Meet us at the camp meeting at Aniston, Ala. Aug. 8th with a great big broad smile. May God bless and keep every one who reads this report. —W. T. Nelson, pastor.

Deaths

RAWSON

On May 12, 1930 the death angel visited the home of Mr. and Mrs. Floyd Rawson and claimed for its victim their darling son, Floyd Earl Rawson Jr., age six weeks and one day. He leaves to mourn his departure a father, mother, one sister, two grandfathers, two grandmothers, six aunts, and four uncles, one uncle having preceded him to death. We know he was just a little bud on earth but will bloom in heaven. We weep not as those who have no hope. We know our loss is heaven's gain. If we will pray and hold out faithful we will meet our darling on the shore of sweet deliverance where parting will be no more. We know little Floyd is safe in the arms of Jesus.

No stain was on his little heart,
Sin had not entered there,
And innocence slept sweetly on
That pale white brow so fair.

He was too pure for this cold earth,
Too beautiful to stay,
And so God's angel came
And bore our darling away.
—His mother, Mrs. Mildred Rawson.

STILLWELL

After a period of suffering for eighteen days of colitis and other troubles the death angel visited the home of our Sister Mattie K. and W. A. Stillwell and claimed for its victim their darling little Mildred born June 4, 1929 and died June 2, 1930. We miss little Mildred so much. We loved her so dearly but Jesus loved her best. She was just a bud on earth to bloom in heaven. We just want to nestle close to the dear Lord and live so we can see little Mildred again. The funeral service was conducted by our pastor, Brother Barnett, and Brother Glover P. Ledford and the remains were laid to rest in the Bob Henry cemetery near the Church of God at Tusquitee. The bereaved have our sympathy.—One who loved her, her aunt, Bertha Blankenship, Hayesville, N. C.

McKINNEY

On March 10, 1930 the death angel came and took our darling mother, Sister Hattie McKinney, home. She was sixty-three years old March 14. She lived a good Christian life. She did not belong to the Church of God but had the Holy Ghost. She trusted God to the end. She bore her suffering so patiently. Every one that knew her loved her. She leaves a husband and nine children. We do not grieve as those who have no hope for we can live to meet her.

Dear mother, how we miss you. You were so kind and true. We will remember your prayers and the words you said in your last hours. God saw best to take you on to rest. We hope some day to meet you in the home of the blest.—One who loved her, her daughter, Maude Tedford, McCamey, Texas.

We Feasted On Manna From Above

HAYESVILLE, N. C.—I would like to tell the world how God is blessing His people at Tusquitee. He is still abiding with us. Never did I witness such a meeting as we had last Sunday. Our pastor was absent but oh glory, how the Lord blessed. Several of us went over to Sister Lillie Melton's to pray for her sick girl. We surely feasted on the rich manna from above. Those who were not there surely missed a feast. The little sick girl got up and looked out the door while we were gone to the spring. It was the first time she had done this during her sickness. There was shouting and dancing up to the spring and back and all the way to the church and it didn't cease then. Sister Ledford preached a sermon in tongues. I never witnessed anything like this meeting before. I can't tell it. It gets better all the time to live for the dear Lord. Oh, how thankful I am to know I am one of His and the sweet Holy Ghost still abides in my heart. Oh glory!

We surely thank the Lord for sending us such a good pastor, Brother Barnett. He is filled with love and power from above. We have had to do without a pastor so much. I believe now the church is going to rise and shine.

I had epilepsy for about thirteen years and when I received the Holy Ghost I was healed, four years ago last December, but when I get troubled or excited it comes back on me. I am forty-five years old. Brother Rouse, please pray a special prayer for me. I have been healed through your prayers before. Praise the dear Lord! I know He is still able to heal. He is the same God that healed me when I had sciatic rheumatism. I am stout and can walk three miles to church and I always get well paid for my walk. I feel like I have brothers and sisters all over the world praying for me and oh, how I love you and I long to get to clasp your hand some sweet day. I remain your sister in Christ always praying for the lost

WALK IN THE LIGHT

Ida McCoy

"But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin."—1 John 1:7.

Be careful and prayerful, keep under the blood. Take no chances for your soul. The devil is transforming himself into an angel of light deceiving all who do not feel the crimson flow on their souls. It is alarming to see so many of our precious members going down by failing to walk in the light. Keeping under the blood brings us nigh to Christ and we then can have access to the throne. So many pray and because they do not reach the throne they give up. Beloved, get a little closer, let the blood make you nigh to Christ as in Eph. 2:13. Then the blood will cover your sins and you can get an answer from God. Bless His name!

But we must keep covered or nigh to Jesus every day and minute of our lives. There is danger out from under this cover, danger to yourself and those whose lives you are influencing. If you get from under the blood, you are not close enough to Jesus to help anyone, not even yourself. You cannot say, Deliver me or mine from evil. You are not close enough. You can see things happening around you but you are powerless to help until you first get under the blood. While so many of our dear ones are getting uncovered, it makes our hearts bleed for them and their dear ones and those who are being influenced by them. Mother, father, keep under the blood so the destroying angel will not get your boy or girl.

I was talking to an old lady one time. She was telling me her troubles. Something like three score and ten years had passed over her head. She was just a bit interested in holiness. She said, I have had bad luck with my children. One grown daughter had fallen on her face in the spring with an epileptic fit and had drowned. A grown young man had run his last furrow in his crop, laid it by, and drove his mule out to the edge of the creek. He went in to cool off and died in a few hours with congestion. The third one, a boy, had gone to school. He was riding a merry-go-round. The older boy jumped off and the little boy slipped under the bottom side of the log and crushed his skull on the ground. I listened until she finished and then said, Mother G—, did you ever pray for God to protect your children from evil? She said, No. I told her Job made sacrifices for his sons continually lest they forget and sin. Job 1:4, 5.

There is no safety out from under the blood. Keep covered. Sometimes our little ones kick the cover off at night and get cold. They begin to cry. We go to them and tuck the cover over them again and soon they are warm again. "Like as a father pitieth his children, so the Lord pitieth them that fear him." Psa. 103:13. Keep covered. Do not get self-willed and kick the cover off. You will surely get cold and sometimes it takes quite a bit to get warm again. If we stay nigh to Jesus where the blood can cover us, we can put up the wall, so to speak, around our loved ones and keep Satan hedged off with our prayers. God can use us in His vineyard in helping rescue others.

I feel this is so important, so wonderful. Jesus taught the disciples to pray to be delivered from evil for when we get uncovered we not only get cold but blind as well. Then we are a sure target for Satan. Let us hide under the blood and have fellowship one with another that the blood can cleanse from all sin. God bless you all is the prayer of one of His children under the blood.

HE WILL MAKE A WAY

MAUD, Okla.—I praise God because I love Him and because He saved, sanctified and filled me with the Holy Ghost and added me to the dear old Church of God. He still answers prayers. When I wrote to the Evangel about three weeks ago I was the only one saved in my family, but God sent two sisters here and my little twelve year old girl got saved, sanctified and filled with the Holy Ghost. I can never praise Him enough. I want the prayers of those who know the worth of prayer for me and my unsaved husband and the rest of my children. Pray that God will use me to His glory and that I will stay in the center of His will. I praise God for the little Evangel which we love to read. When we finish reading it my unsaved girl sends it to her mother-in-law. We are having a battle trying to make a living for my blind husband and six children, but pray that God will supply our every need. He said He would make a way where there seemeth no way and truly I believe it for He has done this for me several times.—Your sister in Christ, Mrs. Alice Turner.

world and for the Highway of Holiness. May the Lord bless the little Evangel that preaches to people all over the country.—Mrs. Henry Garrison.

PUSH THE MISSION WORK

About this time of the year many conventions are being held both district and state. Do you not think it a great time to push the mission department of God's great Church that we may be able to send to others the message which has been of such great benefit unto us?

Letters from various ones show our interest in missions is increasing. This should certainly be gratifying to all as it is clearly shown in God's Word that His church is a missionary church.

REPORT OF JAMAICA CONVENTION

Ross Tabernacle, Broadgate St. Mary, Anotto Bay P. O. convention convened from June 7th to 9th. The Overseer was present, also elders and evangelists, with their representatives from other parts of the country. It was on a whole a great success. The Lord was with us all the way through. Saints in general were edified as the messages were delivered by the different messengers. Although it was a rainy season we had a good gathering. At the call of churches most of them responded. The reports were favorable and quite encouraging. The Church of God is making her headway on the island. Thank God for the truth that must stand. Saints have been encouraged to press toward the mark for the prize. About ten precious souls came forward at the altar call. It was a real heart stirring moment. Several children were blessed.

We are just in our infancy, only fourteen months old, and are having a real hardship financially. I am asking the dear saints over there to pray for us, that the dear Lord will send down greater blessings as the days go by. Please pray for the workers, that they will be loyal and true and by God's grace live that our lives will be the means of winning more souls for the kingdom. — E. W. Munroe, evangelist.

CHURCH IN KINGSTON

KINGSTON, Ja.—I praise the dear Lord for saving, sanctifying and baptizing me with the blessed Holy Ghost which still abides, also for adding me to His Church that He is coming after. I truly thank God for taking me out of darkness, bringing me into the marvelous light of the Gospel and putting the determination in my heart to go all the way with Jesus. Praise His dear name! I am now feasting on His precious words which have been hidden from me all these years. I do love the teachings and government of the Church, also our Overseer who is a true man of God and a teacher of the blessed Truth. He certainly preaches the Church with convincing power, and God is surely blessing.

I attended the convention at Ross Tabernacle where my soul was bless-

ed. The power of God was manifested from start to finish. The songs and messages were inspiring and uplifting. Souls were saved and backsliders reclaimed. Since the convention the dear Lord has been moving in the Kingston tabernacle. Sunday May 11th four were added to the Church with others looking this way, among whom is my mother. To God be the glory! May 15th three came forward seeking salvation and found the Lord. Please pray much for us. This is a hard field being in the city with so many attractions and false teachings, but Jesus is able. Please pray for me to stay humble at His feet and be ready to do what He wants me to do. — Your sister under the blood, Edith Clarkson, clerk.

CALL TO INDIA

Dear Evangel readers, greetings in Jesus' dear name. My heart is overjoyed to know that the Lord is dealing with other hearts about the foreign mission work. My calling and the desire of my heart is in the foreign fields. I am trying to do my best here in Oklahoma among the Indians. I have felt the calling several years but never knew just where to go until Christmas Eve night. I was praying and the Holy Ghost came down in a wonderful way and said, "Go to India." So now I am just waiting on the Lord till He sees fit for me to go. I am no big preacher but I believe all the Bible just like the Church of God teaches it. I have a hard time to stay on my feet sometimes, but thank the Lord, I am still victorious over sin and the devil. Glory! The only way I am contented is to be in service all the time. I ask the saints far and near to send up a special prayer for the way to be opened so I might obey the Lord just like He wants me to. I have been trusting the Lord for both soul and body over eight years and I am contenting for the faith that was once delivered unto the saints. I know God is the same yesterday, today and forever. The Holy Ghost spoke and said if I would obey, the signs would follow.

Two weeks ago the Lord wonderfully blessed the Indians. One was saved, one sanctified, and two that already had the Holy Ghost were under the power for quite a while. Several have been healed. There is a great work here in our own land and country if people would get stirred in their souls and realize the worth of a soul. We need help, we need preachers who are willing to go into the highways and hedges, willing to forsake all for Jesus. I love the Lord above everything in this world and am willing to forsake all, if I have to, to obey the Lord.—An unworthy servant, Mrs. Lyda White, Meers, Okla.

Had a Wonderful Time

MOBEETIE, Tex.—We are glad to report that we are still on victory side at Mobettie. We have just our district convention which was fine. This was the last convention in the state for the year but we don't believe it was the least. In a way it was the most unusual for it was equal to two. The date for the convention was May 16, 17, 18. On account of heavy rains and bad roads Brother Wood, our State Overseer, did not come. We did not know that he would not be there until Saturday and we went ahead and had services. The spirit of the Lord was with us in a wonderful way and we had a wonderful time. Now we wanted to have our State Overseer with us so services were announced for two weeks later. At that time Brother and Sister Wood were with us, also his son E. C. Wood and wife, Brother Roy Cockerell and Sister Oris Hubbard. We were certainly glad to have these young folks. This convention was good. Brother Wood did some fine preaching which was certainly appreciated by those present. As usual a good dinner was served on Sunday. Some thought as it had only been two weeks since we had an all day service and dinner on the ground that we would not have much this time. The house was filled in almost every service. Every one expressed themselves as having had a good time in the Lord.—H. P. Williams.

Just before Brother West came Bro. C. H. Dye preached about a week and a half. He sowed some good seed. Surely the Lord sent the two brothers our way.

June 1, six followed the Lord in water baptism. Sunday night we observed the Lord's supper and feet washing. The Lord blessed our hungry souls again. Two united with the church. Truly the Lord fought this battle for us.

If any one desires a good revival you would do well to secure the service of Brother West. He preached the true Word of God unadulterated and uncompromisingly. He doesn't run when the battle gets hot. Everyone please pray for the Church of God here.—Your sister in Christ, (Miss) Effie Jordan, clerk.

More Encouraged Than Ever

MT. VAIL, Tenn.—We have just closed a successful revival at this place. Two were saved, five sanctified and five received the baptism of the Holy Ghost with the evidence of speaking in other tongues. Brother H. B. Helton, the pastor, was in charge of the meeting. He surely did some wonderful preaching. Brother F. H. Collier from Belmont, N. C. was with us some of the first few nights. We were certainly glad for him to be here. All the saints were built up and seem to be more encouraged than ever before. Our district pastor, Brother Dunn from Morristown, was with us some.

As Brother Helton was called home

Wonderful Cure

LARGO, Fla.—Praise the Lord, O my soul, and all that is within me, praise His holy name! I have felt like this every day of my life since I found Jesus in my heart and the dear Church of God with the true religion that will stand the test. I am so glad I found the dear Church of God and am now saved and sanctified. Oh, what a peace, contentment and joy since I am free from the bonds of sin. It is the delight of my life not to fear death and to be ready and prepared for the coming of my Lord. I am proud to proclaim my alignment with the members of the Church of God who strive daily to live the religion so much professed and enjoyed, awaiting with patience and calmness the coming of the Lord. Since I became a member of the Church of God I have been asked by many if I believed in divine healing. My answer has been, I should say I do, absolutely, and there are not enough people living who are able to change my attitude, for now I enjoy the happy experience of God's divine blessing to heal my eyes. About two years ago this February I was fully healed. Often something would tell me to testify thru the Evangel of my wonderful cure and now forthwith I will obey the call.

I had been seriously troubled with granulated eyelids for many years (twenty or more). I had used all sorts of remedies, most of the time obliged to apply them six to eight times daily and suffered untold misery, much of the time deprived of reading, at other times could read about thirty minutes during the day. At last I resorted to an examination by an able physician. I was told that I had extremely bad granulated lids. I asked, "Can you do any thing for them?" He said he surely could. I said, "I want you to treat this trouble until cured. I can't stand it any longer." He said, "All right," and gave me a treatment. He told me to come in two or three times a week for treatments. A few weeks following business called me away for an indefinite time. I was forced to call on a doctor for treatment. During our conversation I remarked that I was going to have my home doctor continue treatments until fully cured. He assured me with a smile that I would have a fine big bill to pay during life. "How so?" I asked. "Please explain." He said that granulated eyelids were absolutely incurable. Returning home I called on my home doctor and put the information received up to him and of course he was forced to admit it was true, there was no cure. I quit and returned to the eye dropper.

Soon after I came to Florida I found my way into the Church of God, was saved, sanctified and baptized. Several months later I found myself upon my knees before God telling Him my eyes were so bad I could not study His Word and could not read the Evangel, and asked Him to heal my eyes. I told Him I believed He would and promised Him I would use no more medicine for them. I fasted two or three days, did not eat even a crumb, just put my faith up for a cure. Oh, glory, glory, glory to God! I have not used a drop of anything for my eyes since and I often read nearly two pages in the Evangel without stopping. Praise His dear name! I could not do without the Church of God Evangel. Of a truth it keeps the spirit of revival in my heart every day and creates a greater desire to press faithfully on to the end of life on this earth. Of all publications in this world, the Bible is my first choice and the Evangel next.

When doctors claim there is no cure for granulated eyelids and many other diseases, they do not take into consideration the power of God to heal, they only consider what man can do. I have never met with a doctor yet that was not egotistic. I solicit the prayers of the saints of the Church of God, that I may ever be found trusting in the saving grace of God with both soul and body and praising the dear name of Jesus.—A. M. Millard.

Now Know What The Love of Jesus Is

SWEETLICK, Ky.—I praise God tonight for His healing power. He has healed my body, also my husband and babies. I praise Him for saving, sanctifying and filling me with the sweet Holy Ghost. My father is against me. I want everyone who reads this to please pray a special prayer for him that he will come in the way before it is too late. I have five children in the care of Jesus. I promised Him I would raise them in the very beauty of holiness if He would let them live with me, or if He took them I would meet them in Heaven for I trust Him for the healing of their bodies. He has cleansed me from all sin and I belong to the dear Church of God. I belonged to the Baptist church fourteen years but I never knew what the love of Jesus was until about ten or eleven months ago when I found Him precious to my soul.

I praise God for the Sunday School at Sweetlick. It is growing and the Lord is blessing. Some are saved, some sanctified and some filled with the Holy Ghost, others are crying out to God. I want every saint to pray for me, my husband and children.—Your sister in Christ, Mrs. James Campbell.

The Lord Still Answers Prayer

WALTERS, Okla.—The Church of God at Walters wishes to sound a note of praise thru the Evangel for the Lord still answers prayer. We have been praying for a great revival. The Lord sent Brother Jesse Cook. We had many difficulties in getting the meeting started.

We did not have many out the first night but the congregation is rapidly increasing. Many are interested. A goodly number have requested prayer. Six or eight have been saved, 2 backsliders have been reclaimed. We have heard some wonderful evangelistic messages. Thank God for the gospel in its fullness.

Our hearts were saddened when Brother Cook received a telegram that his daughter was very sick. He made arrangements for Brother Dodson, pastor at Walters, and Sister Wilson, who has charge of the Faxon work, to carry on the meeting for us. God is still dealing with hearts. Please pray that God will keep us on the firing line and give us great victory. We want to see a larger and better Church of God in Walters.—Mrs. Ruth Wiley.

A Soul Reclaimed

JONESBORO, Ark.—Dear Church of God family, I feel led to testify for my dear Lord for He has done so much for me. About eight years ago the dear Lord wonderfully saved my soul, sanctified me and gave me the Holy Ghost. I held on for about seven years. The Lord healed me when I was near death's door. But as many others are doing in the last days, I fell by the wayside, lost my joy, went back on God and began to trust the arm of flesh. Dear ones, I have been through many things. My body is afflicted but I know God can still heal. After I backslid I went on in sin for about a year but I thank God for dear Sister Lynch for when I was sick she came and talked to me about my soul and told me that God still loved me. She asked me if she could pray for me. I told her she could and she got down by my bed and prayed that God would take me back. It seemed that I could not pray a bit. She came back the next day and prayed and sang some good old songs. I begged and called on God and He heard and answered prayer. I thank Him for it. I have been serving Him ever since.

About a month ago something got the matter with my sides and my husband wanted the doctor. I gave up to have one and he came. He could do me no good. I had five doctors and the last one said I would have to be operated on. They took me to the hospital. The doctor said there was an abscess in my side, but it burst before I got to the hospital and I escaped the operation. I know it was God who did the work. Please pray for me as I am not completely well and I know without God I'll never be well for the arm of flesh can do me no good. This leaves me with victory in my soul. I mean by the grace of God to never turn back. I am not a member of the Church of God now but expect to be some day. I want every one to pray for my children. I have three who once had the Holy Ghost but have gone back. Pray that they will be saved.—Your sister under the blood, Mrs. Annie Duke, 204 N. Alice St.

A Glorious Revival

We are in the midst of a glorious revival at Savannah Branch Church of God. On Friday the 16th of May our Overseer and wife, Brother and Sister E. E. Simmons, came over to help us in the battle against sin. The Lord began to work and conviction seized the congregation from the very first service. Sinners began to cry for mercy. Surely our Lord is still able to save to the uttermost. Two have received the Holy Ghost so far and the end is not yet. The altar is still full of earnest seekers. We have all learned to love Brother and Sister Simmons dearly. Surely they are standing foursquare for God and His church. We were sorry to see them go and extend them a hearty welcome to come again. They made many friends among both saints and sinners while here.

During our revival came the special rally day for missions and although our churches, Savannah Branch and Redco, are among the poorest in the state, we raised \$11.52 for missions. Well praise the Lord! Surely we can all be missionaries to some extent. Pray for us.—Your sister in Christ, Gladys Webb, Star Rt. Folsom, La.
